EPEL 10 LAUNCH

EPEL 10 is now available

DECEMBER 12, 2024 / CARL GEORGE / 2 COMMENTS

On behalf of the EPEL Steering Committee, I'm happy to announce the availability of EPEL 10. EPEL 10 already contains over 10,000 packages, built from over 3,600 source packages. This is a result of the hard work of over 150 Fedora package maintainers.
